

NINETY-SECOND

ANNUAL REPORT

OF THE

TOWN OFFICERS

OF

PLAINVILLE, MASSACHUSETTS

PLAINVILLE PUBLIC LIBRARY
198 South Street
Plainville, MA 02762

FOR THE YEAR ENDING

JUNE 30, 1996

EVERETT W. SKINNER

Born July 20, 1918

Died January 17, 1996

Any report of the events of 1996 in Plainville is incomplete without acknowledging the loss of one of this community's most influential citizens. From Highway Superintendent to Health Agent as well as the scores of boards, committees and organizations which benefited by his involvement along the way, there are few among us whose enjoyment of the Town of Plainville has not been enhanced by his efforts. It is doubtful that his impact on our community will ever be replicated by any one individual. With these thoughts in mind, 1996 will hereafter be remembered as the year we lost Everett.

ANNUAL REPORT

OF THE

TOWN ACCOUNTANT

FOR THE

TOWN OF PLAINVILLE

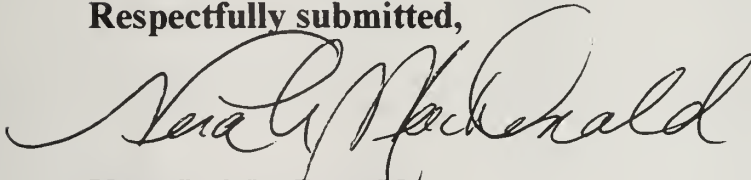

FOR THE YEAR ENDING JUNE 30 1996

*A Report to the Town of Plainville
for the Fiscal year July 1, 1995 to June 30, 1996*

The Town Accountant/Town Auditor has the responsibility to maintain the municipality's key financial records, ensure that proper procedures are being followed, and review proposed expenditures to make sure that money has been lawfully appropriated to pay for them. Also, the position requires reporting this information at the local, state and federal level.

Copies of audited financial statements and The Schedule A Report to the Massachusetts Department of Revenue are available for perusal and reference in my office or the Town Clerk's office.

Respectfully submitted,

A handwritten signature in cursive script, reading "Vera L. MacDonald". The signature is written in dark ink and is positioned above the printed name and title.

**Vera L. MacDonald
Town Accountant**

ANNUAL REPORT
OF THE
TOWN CLERK
FOR THE
TOWN OF PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30
1996

Town of
Plainville, Massachusetts

02762

The Town Clerk's office and the Board of Registrars' office duties intermingle with each other so that it is almost impossible to separate the two. The Town Clerk is the Clerk to the Board of Registrars and is ultimately responsible to administer and carry out the duties of both offices.

We were asked to include a form of a narrative that describes both what we did last year as well as the environment in which we did it. In a normal year we conduct elections, record minutes of town meetings, swear in all town officials, u.c.c. filings, business certificates, marriage intentions, vital statistic records, dog licenses, fish and wildlife licenses, register voters, maintain voting list, update census, nomination papers, campaign financing papers, burial permits, retain maps, plans, town studies, town audits, board and committee records, maintain complete Planning Board records and Zoning Board records. We document all important happenings. The Town Clerk is the keeper of the Town Seal and can certify all official town records.

The "National Voter Registration Act" of 1995 (Motor Voter Law) made sweeping changes in the election laws and greatly expanded the opportunity to vote. To implement these laws, the State established a computerized central voter registry. The State installed two computers and a printer in the Town Clerk's office for maintenance of voter registrations and census information in our town. There were many unanticipated problems with the "VRIS" system such as not enough memory, down time, lack of reports, software applications, etc. Most of these problems have been corrected by the State with software updates.

In 1996 the town purchased a new electronic optical scan voting system. This was used for the first time in the March 5 Presidential Primary and again at the September 17 State Primary and then the November 5 State Election. The voting lists were printed from the information maintained in the State "VRIS" data base. This was a successful test of both the "OPTEC" voting system and the use of the state "VRIS" system for elections.

The State is working very hard to make this system work. Currently, they have been updating the software to enable the cities and towns to enter current census data to the "VRIS" system and print their own census forms.

Respectfully,

Kathleen M. Sandland
Town Clerk

TOWN OF PLAINVILLE
PROCEEDINGS OF THE ANNUAL TOWN MEETING

MAY 6, 1996

ADJOURNED SESSION - MAY 13, 1996

Town of
Plainville, Massachusetts

02762

Form 2.
Article 29

June 7, 1996

Attorney General Scott Harshbarger
One Ashburton Place, Room 2019
Boston, Massachusetts 02108
Attention: By-Laws

Dear Sir:

I hereby certify that the following is a true copy of Article 29 and the action at the May 13 adjourned session of the Annual Town Meeting of May 6, 1996 held at the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts at 7:30 P.M. A quorum was present. The warrant was properly posted and returned by Michael J. Coates, Constable.

I also certify that the following is a complete and final text as there were no floor amendments.

Kathleen M. Sandland
Town Clerk

Date of Final Action: May 13, 1996

FINAL ACTION - ARTICLE 29

VOTE

ARTICLE 29: Motion by Tom Watkins, seconded by Edwin Harrop, Sr.--The Planning Board recommends, and I so move, that the town vote to revise the Town of Plainville Official Zoning Map, thereby changing the zoning classification of the area described under this article, as printed in the warrant, from "RB-Single Family Residential District" and "RD-General Residential District" to "CA-Shopping Center Commercial District" and I further move that the reading of that description be waived.

Result of 2/3 vote:

Yes: 69

No: 6

Motion carried

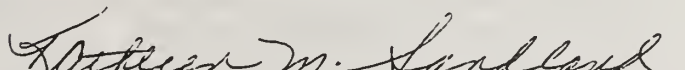

June 7, 1996

Page 2.
Form 2
Article 29

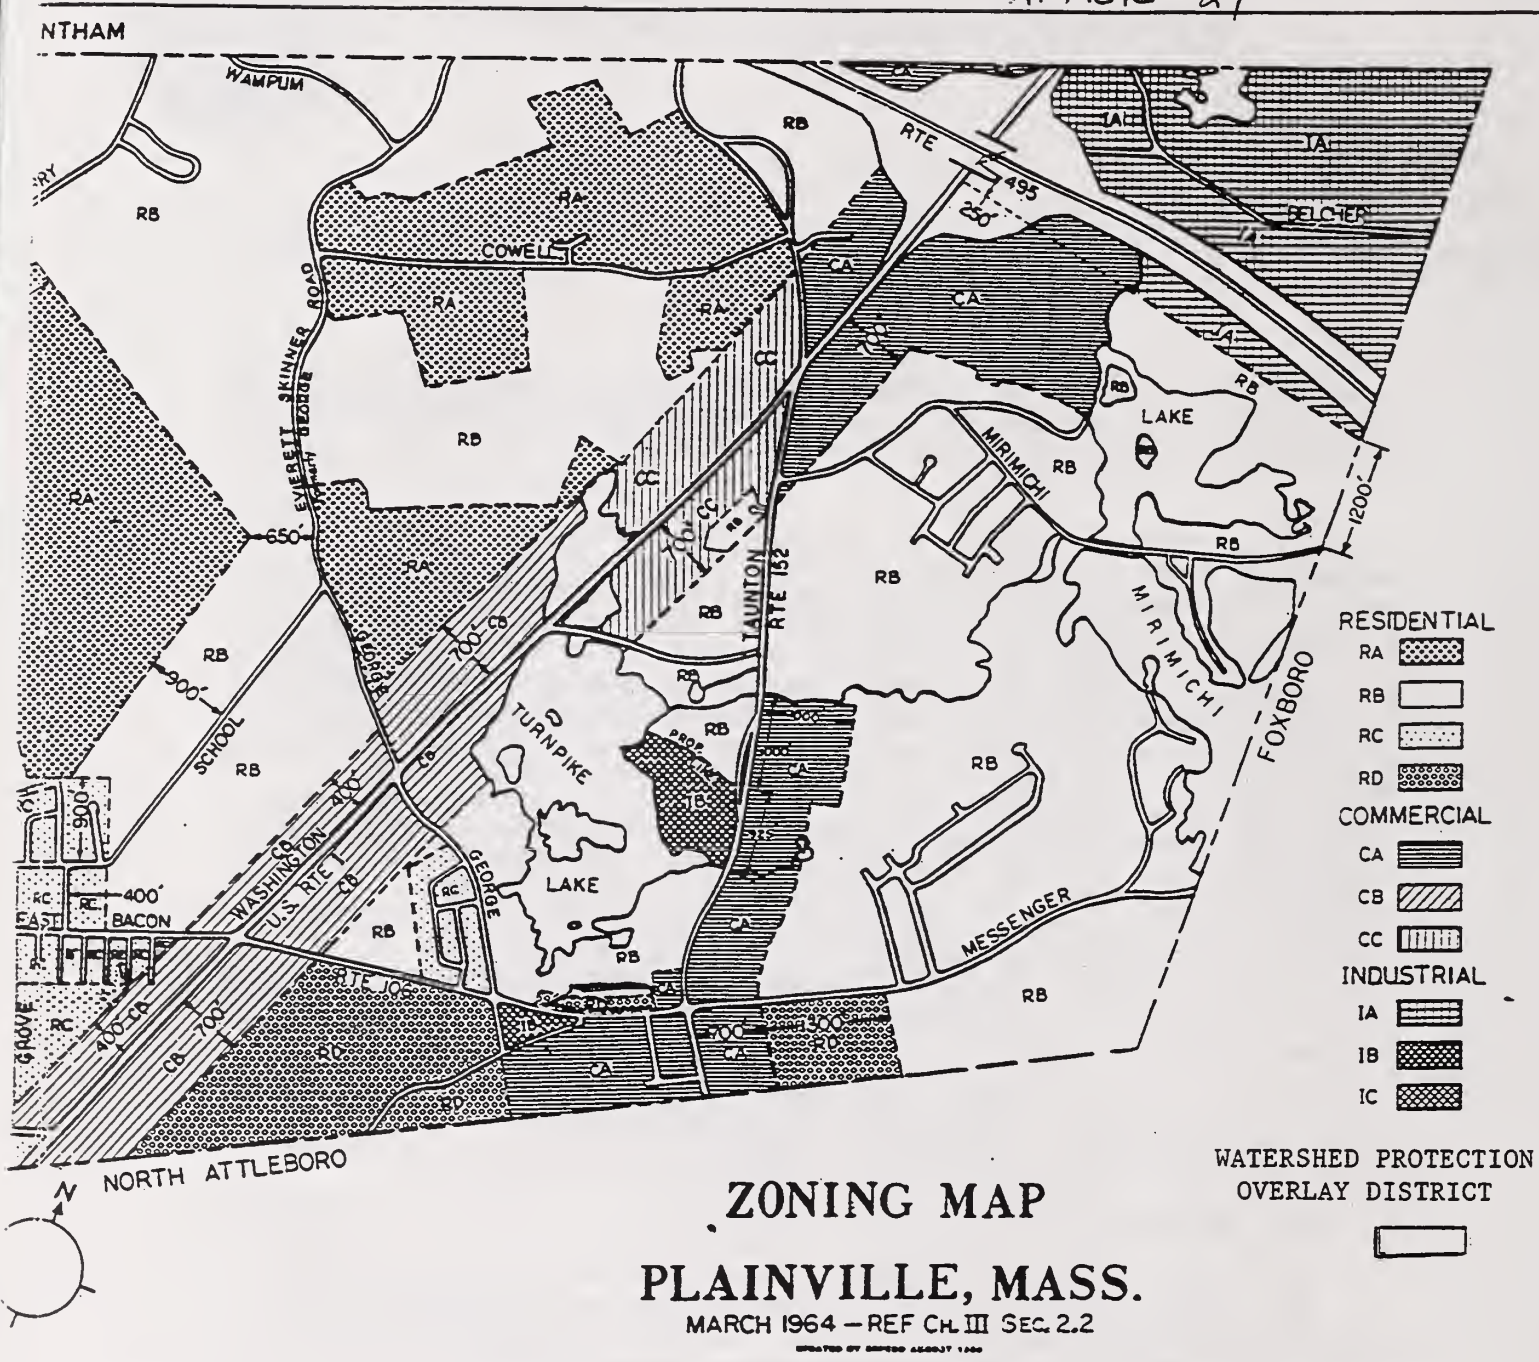

I certify that the following is the description of the area under Article 29 as it appeared on the warrant for the Annual Town Meeting of May 6, 1996.

Beginning at a point in the northerly sideline of Messenger Street, said point being the southeasterly corner of lot #64, as shown on Plainville Assessors Sheet #6; thence running S 59 54'55"W, in the northerly sideline of Messenger Street, a distance of 259.69 ft. to the point of curvature (P.T.) of a 2849.28 ft. radius curve; thence running westerly in the northerly sideline of Messenger Street and East Bacon Street, as measured in the arc of said curve, a distance of 753+ft. to a stone wall and being the southwesterly corner of lot #5, as shown on Assessors sheet #10; thence turning and running northwesterly, in the westerly line of said lot #5, a distance of 83+ ft. to a corner; thence turning and running N 46 59'00"E, a distance of 319.6 ft. to a corner; thence turning and running N 37 40'45"W, a distance of 100.62 ft. to the proposed zone line; thence turning and running easterly as measured in the arc of a 2549.28 ft. radius curve, a distance of 497.44 ft. to the point of tangency (P.T.); thence running N59 54'45"E, a distance of 202.28 ft. to the westerly property line of lot #124, as shown on Assessors sheet #6; thence turning and running S40 55'15"W, bounded easterly by said lot #124, a distance of 305.44 ft. to the northerly sideline of Messenger Street, and being the point of beginning.

The above described parcel describes a strip of land 300 ft. wide, and parallel with the northerly sideline of Messenger Street, and extending from the existing CA Zoned land, westerly to land owned by the Town of Plainville.

ANNUAL TOWN MEETING MAY 6, 1996
ARTICLE AS PRINTED ON WARRANT

TOWN OF PLAINVILLE
WARRANT
FOR THE
ANNUAL TOWN MEETING
MONDAY, MAY 6, 1996
AT 7:30 P.M.

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, MAY 6, 1996

at seven thirty in the evening, then and there to act on the following articles, viz:

The first session of the Annual Town Meeting was held on Monday, May 6, 1996, with a total of 155 voters checked in for the evening.

A quorum was present and the meeting was called to order at 7:30 P.M. by the Town Moderator, Sharon Friedman.

The moderator stated that the voters wearing orange stickers could vote at the Special Town Meeting only and should sit in the bleaches until the Special Town Meeting was called to order. The people that wore green stickers could vote at the special and annual town meetings. The bounds of the hall were declared to be the seats set up in the center of the room. No person would be allowed to speak unless recognized by the moderator and had a time limit in accordance with the town by-law. All motions had to be written on prepared motion forms provided by the Town Clerk.

The Reverend David Hill was welcomed by the moderator to do the invocation for the annual town meeting.

The counters to the right of the moderator were: Laurie Lumnah and Joanne Quinn. The counters to the left of the moderator were: Patricia Stewart and Mark O'Neil.

The moderator recognized the passing of Everett Skinner and his service and knowledge that he gave to the town.

Senator Cheryl Jacques presented an official citation from the Massachusetts State Senate to Frank Grzenda in recognition of his service to the Town of Plainville as Selectman and his commitment to providing quality town services. Robert McAlice was presented with an official citation for recognition of his 30 years of public service to the Town of Plainville and his dedication to improving the quality of life for all Plainville residents.

Robert Fennessy presented Robert McAlice with a proclamation on behalf of the citizens of Plainville in recognition of his dedication and achievement for more than 30 years of service as an elected member of the Board of Assessors. Robert thanked the townspeople for allowing him to serve as their public servant.

ANNUAL TOWN MEETING MAY 6, 1996
ARTICLE AS PRINTED ON WARRANT

The Town Clerk stated that the warrant was posted and returned in the proper fashion.

The Finance Committee requested to speak for 5 minutes to the people at town meeting for the purpose of defining income on the sources handout. Eugene Alsworth spoke to the townspeople about the omnibus operating budget.

The moderator stated that the order of business shall be determined by the "lottery system" as voted at the special town meeting of January 10, 1993, article 10.

The moderator informed the voters that the following articles will be done as a group if one number of the group is drawn:

Article 14 and 15
Article 16, 17, and 18

Article 23, 24, and 25

Article 33 will be taken with article 23, 24, and 25 as
article 33 pertains to the 53rd week pay period for FY 97 the omnibus budget.

At 11:20 P.M. a motion was made by Andrea Soucy, seconded by Robert Fennessy--to reconvene this Annual Town Meeting to Monday, May 13, at 7:30 P.M.

The second session of the Annual Town Meeting was held on Monday, May 13, 1996, with a total of 110 voters checked in for the evening.

A quorum was present and the meeting was called to order at 7:32 P.M. by the Town Moderator, Sharon Friedman. All rules stated at the Annual Town Meeting apply to this Special Town Meeting.

The counters to the right of the moderator were: Joanne Quinn and Debora Myers. The counters to the left of the moderator were: Frank Grzenda and Raymond Desjardins.

The moderator introduced Mike Taylor and allowed him to address the townspeople. He has been a call firefighter for approximately 28 years in the Town of Plainville. Mr. Taylor donated a Global Satellite Positioning System to the town. With this system, latitude, longitude and elevation can be pinpointed. This would help the Fire Department and the citizens of Plainville mainly for the use in medical flight navigation. Chief of Fire Operations, Edwin Harrop, Sr. and Selectman, Robert Fennessy thanked Mr. Taylor on behalf of the Fire Department and the Town of Plainville.

A presentation of \$1,000 was made by Edwin Harrop, Sr. to Maureen Dunfey, Director of Recreation on behalf of the Plainville Lions Club in memory of Everett Skinner for use at the pool. Mr. Skinner did a lot of work in past years to get the pool back in use for the children of Plainville. Beulah Rensch, Chairman of the Park Department thanked the Lions Club and also mentioned that the Park Commissioners have started a scholarship in memory of Everett Skinner.

On May 6, 1996 at 11:30 P.M. a request to reconsider article 32 and 33 at the May 13 session of the town meeting was given to Town Clerk, Kathleen Sandland.

The moderator allowed Finance Committee Chairman, Eugene Alsworth five minutes to discuss income regarding the budget per his request. He stated the concerns of the Finance Committee and said that any articles passed at this session of town meeting must not come from taxation because the town would be in violation of proposition 2 1/2.

ANNUAL TOWN MEETING MAY 6, 1996

ANNUAL TOWN MEETING MAY 6, 1996
ARTICLE AS PRINTED ON WARRANT

ARTICLE 26: To see if the Town will vote to raise and appropriate, or transfer from available funds, \$1,000 or any other sum for the purpose of making improvements to Town buildings and programs in order to more fully comply with the Americans with Disabilities Act, or do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

Date of Action: May 6, 1996

Meeting Action: Raise and appropriate \$1,000 for purpose of making improvements to town buildings and programs in order to more fully comply with the Americans with Disabilities Act.

Result of Vote: Motion failed

ARTICLE 27: To see if the Town will vote to accept as a public way within the Town of Plainville, the following street, with improvements thereon, Tanglewood Road, bounded and described as follows:

Beginning at a point on the south side of Landau Road said point being S35 30'25"W a distance of 65.53 feet from the southwest corner of the accepted portion of Landau Road.

Thence by a curve to the left having a radius of 25.00 feet a distance of 39.27 feet to a point of tangency;

Thence S 54 29'35"E a distance of 125.39 feet to a point of curvature;

Thence by a curve to the left having a radius of 100.00 feet a distance of 106.90 feet to a point of tangency;

Thence N 64 15'28"E a distance of 466.89 feet to a point of curvature;

Thence by a curve to the right having a radius of 185.00 feet a distance of 135.61 feet to a point of tangency;

Thence S 73 44'32"E a distance of 24.84 feet to a point of curvature;

Thence by a curve to the left having a radius of 25.00 feet a distance of 23.55 feet to a point of reverse curvature;

Thence by a curve to the right having a radius of 60.00 feet a distance of 301.53 feet to a point of reverse curvature;

Thence by a curve to the left having a radius of 25.00 feet a distance of 23.55 feet to a point of tangency;

Thence N 73 44'32"W a distance of 24.84 feet to a point of curvature;

Thence by a curve to the left having a radius of 135.00 feet a distance of 98.96 feet to a point of tangency;

Thence S 64 15'28"W a distance of 466.89 feet to a point of curvature;

Thence by a curve to the right having a radius 150.00 feet a distance of 160.35 feet to a point of tangency;

ANNUAL TOWN MEETING MAY 6, 1996
ARTICLE AS PRINTED ON WARRANT

Thence N 54 29'35"W a distance of 125.39 feet to a point of curvature;

Thence by a curve to the left having a radius of 25.00 feet a distance of 39.27 feet;

Thence turning and running N 35 30'25"E a distance of 100.00 feet; to the point and place of beginning.

The above described parcel contains 56,814 square feet or 1.30 acres. Being Shown as Road "D" (50 feet wide) on a Definitive Subdivision Plan of Messenger Glen Phase 3 recorded in the Norfolk County Registry of Deeds in Plan Book 416, Page 560 of 1993 and being known as Tanglewood Road. Or, do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

ANNUAL TOWN ELECTION

TOWN OF PLAINVILLE
APRIL 1, 1996

Pursuant to the foregoing warrant for the Annual Town Election that was held in the Beatrice Wood Elementary School, South Street, Plainville, Massachusetts, Norfolk County

The following elections officials were sworn into their faithful performance of duty by the Assistant Town Clerk, Helen Theriault.

PRECINCT ONE

NAME	POSITION	PARTY
Joan Clarke	Warden	Republican
Bernice Barnaby	Clerk	Democrat
Vera Watson	Inspector	Democrat
Edith Bishop	Inspector	Unenrolled
Geraldine Perry	Inspector	Unenrolled
Janis Bona	Inspector	Unenrolled
Doris Ross	Inspector	Republican
Naomi Beckman	Inspector	Republican

PRECINCT TWO

NAME	POSITION	PARTY
Joan Clarke	Warden	Republican
Evelyn Soule	Clerk	Democrat
Barbara Parmenter	Inspector	Republican
Winifred Masino	Inspector	Democrat
Jean Mathews	Inspector	Democrat
Joan Lyons	Inspector	Republican
Marie Kenerson	Inspector	Democrat
Lawrence Carpenter	Inspector	Republican
Esther Fountain	Inspector	Democrat

At 8:00 A.M. the warden, Joan Clarke read the warrant and declared the polls officially open. Precinct one ballot box was inspected by Bernice Barnaby, Helen Theriault, Assistant Town Clerk and Joan Clarke, Warden. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. Precinct two ballot box was inspected by Bernice Barnaby, Helen Theriault, Assistant Town Clerk and Joan Clarke, Warden. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. The keys to the ballot box were turned over to officer Steven Dehestani.

At 11:50 A.M. the ballot box keys were turned over to officer Scott Gallerani. Voting was light throughout the day. At 4:05 P.M. the keys were handed to officer Karie Bossa and at 4:10 P.M. the ballot box keys were turned over to officer James Rockett.

The polls were officially closed by the warden, Joan Clarke.

ANNUAL TOWN ELECTION

TOWN OF PLAINVILLE
APRIL 1, 1996

Precinct 1 ballot box had a count of 311 and precinct 2 ballot box had a reading of 556. The unofficial election results were printed at 8:10 P.M. Because of the numerous write-in votes, the official tally was not completed until 11:00 P.M. The Warden, Joan Clarke, read the results as listed on the next six pages.

Month and Day

1996

Harold M. Sordani
Town Clerk
Feb 22, 1996

PRESIDENTIAL PRIMARY

TOWN OF PLAINVILLE
March 5, 1996

Pursuant to the foregoing warrant for the Presidential Primary election that was held in the Beatrice Wood Elementary School, South Street, Plainville, Massachusetts, Norfolk County

The following elections officials were sworn into their faithful performance of duty by the Town Clerk, Kathleen M. Sandland.

PRECINCT ONE

NAME	POSITION	PARTY
Barbara Parmenter	Warden	Republican
Bernice Barnaby	Clerk	Democrat
Vera Watson	Inspector	Democrat
Carolyn Flanagan	Inspector	Democrat
Geraldine Perry	Inspector	Unenrolled
Janis Bona	Inspector	Unenrolled
Doris Ross	Inspector	Republican
Naomi Beckman	Inspector	Republican

PRECINCT TWO

NAME	POSITION	PARTY
Barbara Parmenter	Warden	Republican
Evelyn Soule	Clerk	Democrat
Rosemary Coates	Inspector	Democrat
Winifred Masino	Inspector	Democrat
Jean Mathews	Inspector	Democrat
Joan Lyons	Inspector	Republican
Patricia Stewart	Inspector	Republican

At 7:00 A.M. the Town Clerk read the warrant and declared the polls officially open. The new Optec electronic voting system was used for the first time at this election.

Precinct one ballot box was inspected by Bernice Barnaby and Helen Theriault. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. Precinct two ballot box was inspected by Bernice Barnaby and Helen Theriault. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. The keys to the ballot box were turned over to the ballot box officer, Sargent Jim Alfred.

Voting was light throughout the day. One Republican ballot would not go through the scanner in precinct two, therefore, it was placed in the auxiliary bin to be counted by hand at the end of the election. At 12:00 noon the ballot box keys were turned over to officer Gregory Kiff. During the election, many voters

PRESIDENTIAL PRIMARY

TOWN OF PLAINVILLE

March 5, 1996

remarked that they liked the new voting system. At 4:15 P.M. the ballot box keys were turned over to officer James Rockett.

The polls were officially closed by Kathleen M. Sandland, Town Clerk. Precinct 1 ballot box had a count of 254 and precinct 2 ballot box had a reading of 343 plus one ballot in the auxiliary bin, totaling 344. The election tally was completed at 9:30 P.M. The Town Clerk, Kathleen Sandland read the results as listed on the next three pages.

TOWN OF PLAINVILLE
PROCEEDINGS OF THE SPECIAL TOWN MEETING

NOVEMBER 20, 1995

**TOWN OF PLAINVILLE
WARRANT**

FOR THE

**SPECIAL TOWN MEETING
MONDAY, NOVEMBER 20, 1995
AT 7:30 P.M.**

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

NOVEMBER 20, 1995

at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

SPECIAL TOWN MEETING ACTION
NOVEMBER 20, 1995

The Special Town Meeting was held on Monday, November 20, 1995. A quorum was present with a total of 84 voters checked in for the evening.

The Special Town Meeting was called to order at 7:38 P.M.

The Moderator, Sharon Friedman asked for a moment of silence in memory of James Martinous.

The moderator opened the warrant and then asked the Town Clerk if there was a proper return of the warrant. The Town Clerk answered "yes".

The counters to the right of the moderator were: Gayle Mason and Carolyn Romsey. The counters to the left of the moderator were: Cecilia Rose and Toni O'Toole.

The Citizen's Advisory Committee asked the moderator if they could speak to the citizens in attendance to explain their goals. The moderator declined because their statement did not apply to any of the warrant articles.

The bounds of the hall were announced as the chairs in the center of the room. All people sitting in the bleachers or standing would not be recognized by the moderator unless they were sitting in the chairs. All speakers had to use the microphone if they wished to speak and had a time limit in accordance with the town by-law. All motions had to be written on prepared motion forms provided by the Town Clerk.

At this time, Frank Grzenda asked the moderator if it would be possible to vote to see if the town would like to hear the report of the Citizen's Advisory Committee. He then made a motion seconded by Andrea Soucy--I move that the following non-Plainville residents will be allowed to address the citizens present at this Special Town Meeting as motioned previously within the Annual Town Meeting:

Town Counsel
Town Accountant
Town Administrator
Water/Sewer Superintendent
King Philip Regional High School
Superintendent

John Lee and Associates
Vera MacDonald
Joseph Fernandes
James Marshall

Perry Davis

MOTION CARRIED

The moderator then stated that she has made the decision not to recognize the request of the Citizen's Advisory Committee.

ARTICLE 1: To see if the Town will vote to transfer \$30,000, or any other sum, from available funds for the purpose of conducting a revaluation for fiscal year 1997, such appropriation to be

**SPECIAL TOWN MEETING ACTION
NOVEMBER 20, 1995**

spent by and under the direction of the Board of Assessors, or do or act in any manner relative thereto.
(Sponsor: Board of Assessors)

DATE OF ACTION:	November 20, 1995
MEETING ACTION:	Transfer \$30,000 from free cash to fund town's revaluation.
RESULT OF VOTE:	Motion carried

ARTICLE 2: To see if the Town will vote to transfer \$42,959 from available funds to fund Plainville's share of the King Philip Regional School District Plan, or do or act in any manner relative thereto. (Sponsor: King Philip School Committee)

DATE OF ACTION:	November 20, 1995
MEETING ACTION:	Transfer \$42,959 from free cash to fund town's share of King Philip's '96 Capital Budget.
RESULT OF VOTE:	Motion carried

ARTICLE 3: To see if the Town will vote to accept the provisions of Section 108L of Chapter 41 of the Massachusetts General Laws, commonly referred to as the "Quinn Bill", the acceptance of which will provide career incentive salary increases for Police Officers, and for which the Town would be eligible for reimbursement by the Commonwealth for one half the cost of such salary incentive, or do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

DATE OF ACTION:	November 20, 1995
MEETING ACTION:	Adopt the Quinn Bill in accordance with Sect. 108L of Ch. 41 of MGL.
RESULT OF VOTE:	Motion carried

**SPECIAL TOWN MEETING ACTION
NOVEMBER 20, 1995**

ARTICLE 4: To see if the Town will vote to transfer a certain sum from available funds to the Police Department Salary Account (Line Item 210) in order to fund a negotiated contract with the Plainville Police Association, or do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

DATE OF ACTION:	November 20, 1995
-----------------	-------------------

MEETING ACTION:	Transfer \$26,012 from free cash to Police Dept. salary account to fund new employment contract.
-----------------	--

RESULT OF VOTE:	Unanimous
-----------------	-----------

ARTICLE 5: To see if the Town will vote to transfer \$19,290 from available funds to the School Department (Line Item 300), or do or act in any manner relative thereto. (Sponsor: School Committee)

DATE OF ACTION:	November 20, 1995
-----------------	-------------------

MEETING ACTION:	Transfer \$19,290 from free cash to increase funding of local school budget for fiscal 1996.
-----------------	--

RESULT OF VOTE:	Motion carried
-----------------	----------------

ARTICLE 6: To see if the Town will vote to transfer a certain sum of money from available funds to the Interest on Maturing Debt Account (Line Item 751), or do or act in any manner relative thereto. (Sponsor: Town Treasurer)

DATE OF ACTION:	November 20, 1995
-----------------	-------------------

MEETING ACTION:	No motion
-----------------	-----------

RESULT OF VOTE:	Failed - lack of motion
-----------------	-------------------------

**SPECIAL TOWN MEETING ACTION
NOVEMBER 20, 1995**

ARTICLE 7: To see if the Town will vote to transfer \$22,000, or any other sum, from available funds, for the purchase of one police cruiser, or do or act in any manner relative thereto. (Sponsor: Police Department)

DATE OF ACTION:	November 20, 1995
MEETING ACTION:	Transfer \$22,000 from free cash to Police Dept. to purchase new cruiser.
RESULT OF VOTE:	Motion carried

ARTICLE 8: To see if the Town will vote to transfer \$3,360, or any other sum, from available funds to the Police Department Salary Account (Line Item 210), or do or act in any manner relative thereto. (Sponsor: Police Department)

DATE OF ACTION:	November 20, 1995
MEETING ACTION:	No motion
RESULT OF VOTE:	Failed-lack of motion

ARTICLE 9: To see if the Town will vote to transfer \$110,000, or any other sum, from the Ambulance Reserve Account for the purchase of a municipal ambulance, or do or act in any manner relative thereto. (Sponsor: Fire Department)

DATE OF ACTION:	November 20, 1995
MEETING ACTION:	Transfer \$110,000 from Ambulance Reserve Account to purchase new heavy duty ambulance. The old ambulance to be traded to reduce cost.
RESULT OF VOTE:	Unanimous

The moderator asked for a motion to adjourn. At that time, Pat Francomano asked the moderator to reconsider the Citizen's Advisory Committee's request to address the town meeting. The moderator said that she would ask for a motion to adjourn the Special Town Meeting and the committee could then take five or ten minutes to speak as she did not think it was appropriate for the formal business of the Special Town Meeting. Mark McEvoy stated that he disagreed with the moderator. He asked if a motion could be put on the floor for a vote to allow the

**SPECIAL TOWN MEETING ACTION
NOVEMBER 20, 1995**

Citizen's Advisory Committee to address the voters. After speaking with Attorney Lee, the moderator asked if anyone wanted to make a motion to allow the Citizen's Advisory Committee to speak.

Motion by Andrea Soucy, seconded by Cheryl Follett--I move that the Citizen's Advisory Committee be allowed to address this assembly.

MOTION CARRIED

Bonnie Gillmore, chairman of the Citizen's Advisory Committee talked about the goals of the committee and also encouraged the citizens to vote.

At 8:45 P.M. a motion was made by Patrick Francomano, seconded by Cheryl Follett--To adjourn the Special Town Meeting.

MOTION CARRIED

Respectfully submitted,

Kathleen M. Sandland
Town Clerk

Note: The original minutes are available in the Town Clerk's Office.

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, Fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as foresaid.

Given under our hands this 30th day of October, in the year of our Lord one thousand nine hundred and ninety-five.

ANNUAL REPORT

OF THE

TREASURER

FOR THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30 1996

TOWN OF PLAINVILLE
TREASURER'S OFFICE
TOWN OFFICE BUILDING
PLAINVILLE, MASSACHUSETTS

To The Honorable Board of Selectmen:

During Fiscal Year 1996 the Treasurer's office received and accounted for a total of \$14,736,719.16 and disbursed \$14,576,945.37.

With regards to short-term debt, on January 16, 1996, we paid off a \$44,100.00 note after receiving Chapter 90 funds from the Commonwealth. On May 22, 1996, a note for the Pool Repair, the School Roofs and the Water Main Projects came due. Of the total amount of \$860,000.00, we paid off \$155,000.00 and reissued \$705,000.00. This note was purchased by Bay Bank at a rate of 3.77 %. We also issued new debt in the amount of \$30,000.00 for additional expenses on the Water Main Project. This note was purchased by Fleet Bank at a rate of 3.94 %. Both issues mature on November 22, 1996.

We retired \$225,000.00 in long-term debt and issued no new debt during the year. The total outstanding long-term debt at June 30, 1996 was \$2,550,000.00.

In an effort to realize considerable savings during a tight budget year, I instituted a biweekly payroll schedule in January, 1996. While some employees did express misgivings and some adjustments were needed, the implementation of the plan went smoothly and the goal of saving money was realized. The payroll expense line item dropped to \$5,916.20 in FY 1996 from \$7,421.97 in FY 1995 after only six months on the new schedule.

I feel we've experienced another successful year in the Treasurer's office, quietly going about our business, safe-guarding the town's funds. I want to thank the townspeople for their continued support and also my clerk, Mrs. Debbra Floyd for her continuing dedication and hard work.

Respectfully submitted,

Kathleen A. Parker
Kathleen A. Parker, Town Treasurer

Annual Report
of the
School Committee
of
Plainville, Massachusetts

FOR THE YEAR ENDING

JUNE 30, 1996

Report of The School Committee

The results of the annual elections of April 1, 1996 saw Eric Ennes of 73 Spring Street was elected to a three-year term to the Plainville School Committee. At its reorganization meeting Mr. Patrick Francomano was reelected Chairman, Local Representative to MASC, and Representative to the Sick Leave Bank. Mr. Larry Cochrane was reelected Vice Chairman and Local Representative to the King Philip Regional School Committee. Mrs. Lumnah was reelected Representative to the Sick Leave Bank and elected Representative to the Permanent Building Committee. Mr. Moen was elected Finance Subcommittee member. Mr. Eric Ennes was elected Representative to the Sick Leave Bank and Finance Subcommittee member.

This year saw many positive changes in our school system. After an extensive search the Plainville School Committee appointed Michael F. Malone as Superintendent of Schools beginning July 1, 1995. Mr. Malone was a long-time member of the Braintree School System and most recently Principal of their Liberty School. One of the first duties of Mr. Malone was to hire Sandra V. Esterson as Principal of the Wood and Jackson Schools. Also, the resignation of Mr. Thomas P. Fallon, Special Education Coordinator/School Psychologist was accepted with regret.

As part of a system-wide improvement plan, the School Committee created several new positions to not only enhance and improve our current programs, but also in preparation of entering the Age of Technology. These positions are Head Teacher, Building Technology Coordinator, Lunch Supervisor, Health Paraprofessional, and Computer Paraprofessional. In addition the Plainville School Committee in partnership with the Plainville PTO began a tradition by donating School Committee stipends to develop an after-school enrichment program to promote excellence in education for Plainville School students.

The Plainville School Committee in an effort to continue the improvement of our school system, conducted a public hearing in October 1995 on the evaluation of teachers and administrators in our school system. As a result of this hearing, the Plainville School Committee with the Administration developed and approved Professional and Performance Standards for all teachers and administrators of the Plainville Public Schools.

The Committee also conducted a public forum in November 1995 on the Role of Technology in the Schools and Community. As a result, a technology Committee was formed to develop a Five-Year Technology Plan for Plainville Public Schools.

For the second time in as many years, teachers from all Plainville, Wrentham, Norfolk and King Philip districts met for a series of full-day, in-service workshops designed to benefit all staff members and to articulate with colleagues throughout the district.

As part of our on-going participation in Project PALMS, three teachers were invited to the Boston Museum of Science for one week.

In an effort to track academic development in the Plainville Public Schools, Iowa Testing was given to second grade students for the first time in the history of the Plainville Public Schools.

The Plainville School formed a Space Need Subcommittee to address increased enrollment and the space needs of the Plainville Schools. Four portable classrooms were added to the Jackson School in 1991 to relieve space problems, and since that time enrollment has increased by 20% (591 students in 1991 to 710 students in 1996).

The Plainville School Committee also appointed the law firm of Murphy, Hesse, Toomey and Lehane as Legal Counsel of Plainville Public Schools.

As a result of the amendment of Chapter 44, Section 17 of the General Laws, the Town of Plainville became a Municipal Medicaid Provider. This status enables the Town to claim reimbursement from the Federal Medicaid Program for health related services being provided in the schools to all medicaid-eligible special education students. In a joint effort between the Town and the School Department, a contract to provide administrative services was jointly entered into with Bay State Billing Services, Inc. of Malden Massachusetts which is being estimated to generate claims for several thousand dollars for the Town of Plainville.

The PTO continued their active support of school programs. It is through hard work of these volunteers that many services such as the Arts Program are provided to the students of Plainville.

In closing, the Committee would like to thank the residents of Plainville for their moral and financial support of their elementary school system and extends its appreciation to the administration, staff, and parent volunteers for another outstanding year. I would like to take this opportunity to thank my fellow committee members for their dedication and hard work.

Respectfully submitted,

Patrick Francomano
Chairman
Plainville School Committee

Report of the Superintendent of School

On July 1, 1995 Michael F. Malone took over as Superintendent of Schools following appointment by the School Committee in April, 1995. In August, 1995 Sandra V. Esterson was appointed as the Principal of the Wood/Jackson Schools by the Superintendent following the recommendation of three finalists by the Principal Search Committee comprised of parents, teachers, and community members.

Curriculum Frameworks Action Teams were formed with the help of a state grant to match Plainville curriculum with the new curriculum frameworks guidelines. This was done in conjunction with the Norfolk, Wrentham and King Philip school districts. The groups covered the following seven areas: Mathematics, Science, Social Studies, Language Arts, The Arts, World Languages, and Health. Each team spent several months reviewing the frameworks and wrote a report of suggestions to be utilized by system-based teams during the 1996/97 school year.

Involvement in Project PALMS (Partnership for the Advancement of Learning Math and Science) has continued under the leadership of Alice Edwards (Grade 2) and Deborah Dempsey (Grade 5). Mrs. Edwards and Mrs. Dempsey were instrumental in making Plainville one of the initial PALMS sites in the State and shared this philosophy with the Wrentham, Norfolk, and King Philip school systems who have adopted this program. Mrs. Edwards and Ms. Cheryl Mazzeo (Grade 2) helped conduct a summer institute at Bridgewater State College. Mrs. Edwards, Mrs. Dempsey, and Ms. Mazzeo also conducted a mini-PALMS Institute for the other school systems at the Foxboro Company during the school year.

In Plainville we are in our third year of PALMS. Students (106) and parents participated in Family Math and Science Nights at both schools as an on-going part of this project. PALMS encourages a hands-on approach to math and science.

Three staff members, Deborah Dempsey (Grade 5), Natalie Flaherty (Grade 4), and Alice Edwards (Grade 2), were chosen to participate in a one-week institute at the Museum of Science at no cost to the Town as part of the Statewide PALMS effort.

Three teachers from Plainville were awarded grants from the PLANOW Foundation for the 1995/96 school year. They were Anne Sullivan (Grade 1), Janet Hale (Grade 3), and Margaret Hoagland (Grade 6). Their students participated in a collaborative writing experience with students from the King Philip Junior High School, a simple machine exposition and a geography fair.

As part of the math program, students at the Jackson School celebrated the 100th day of school with each class collecting 100 or more food items. The 34 cases of non-perishable food items were donated to the Living Bread Food Pantry sponsored by the Plainville United Methodist Church. This program helped develop an awareness of the less fortunate in our community.

In the Spring of 1996 a School Space Needs Study Committee was formed under the direction of the Superintendent. The committee was comprised of two parents, two teachers, one school committee member, the Director of Building and Grounds, and the Superintendent. The committee started meeting in the Spring of 1996 and expected to have a report ready for the Fall of 1996, using information from UMass (Miser Center) population studies.

A Technology Task Force Advisory Board was formed in the Spring of 1996 to oversee the development of a technology plan during the 1996/97 school year. This board was comprised of ten members representing the staff, community, parents, and administrators. The board expected to present a technology plan for the system in the Spring of 1997.

The Plainville School System had the distinction of receiving the Staples player of the game award in the Fall of 1995. Drew Bledsoe visited the Wood School and Staples donated a multi-media computer for the Wood School Library. A Plainville parent matched this donation for the Jackson School Library and both systems were utilized by students during the 1995/96 school year.

A schoolwide silent reading program of one-half hour a day was instituted systemwide during the 1995/96 school year. Mrs. Esterson, the school principal, also organized a community read-a-loud day in March, 1996. Both programs helped promote literacy in our schools.

In cooperation with the Plainville Education Association the school day was lengthened one-half hour for the 1996/97 school year. This was done through collective bargaining with the Association and allowed us to meet the Time & Learning requirements of Education Reform a year early. This was done at no cost to the Town and allowed us to meet the 900-hour requirement under the law. The Teacher & Administration Performance Standards & Evaluation Procedures were completed during the 1995/96 school year and accepted by the Department of Education. This was also a requirement of the Education Reform Act and is being implemented during the 1996/97 school year.

Marilyn Cady, Chapter 1 Teacher, retired after 30 years. Jeanne Bonneau, Music Teacher, retired after 20 years, as did Nancy Peters after 33 years of service. We wish them well and thank them for their combined 83 years of service to the students and community.

Respectfully submitted,

*Michael F. Malone
Superintendent of Schools*

Ms. Jane Morris	Term Expires 1999
Ms. Karen Cobb	Term Expires 1997
*Mr. John Spinney	Term Expires 1997
*Ms. Andrea Tooker	Term Expires 1996
Mr. Sam Williams	Term Expires 1999

*Appointed by the local school committee for a one year term.

Organization

Dr. Richard K. Grady, Chair
Mr. George Cronin, Jr., Vice-Chair
Mr. Kenneth Redding, CPA, Treasurer
Ms. Maureen Moresi, Secretary

Superintendent of Schools

Perry P. Davis, Ed.D.

Superintendent's Office

Marilyn J. Reale, District Accountant

Maureen Moresi	Maureen Upham
Virginia MacRae	Mary Burns

Regular meetings of the King Philip Regional School District Committee are held every first Monday in February, April, June, July, and December, and every first and third Mondays in January, March, May, September, October and November. Meetings are held at King Philip Regional High School at 7 p.m. in the Media Center.

SUPERINTENDENT'S REPORT

On behalf of Dr. Richard K. Grady, Chair of the King Philip Regional School Committee, and

members, Mr. Laurence Cochrane, Mr. George Cronin, Ms. Karen Cobb, Ms. Jane Morris, Mr. Kenneth Patton, Mr. John Spinney, Ms. Andrea Tooker, and Mr. Sam Williams, allow me to extend my personal thanks to the King Philip Regional administration, faculty, staff, parents, students, elected officials of the member towns, and all who support public education. I hereby submit to the citizens of Plainville, this annual report for the period of July 1, 1995 to June 30, 1996.

REMEMBRANCE

On Saturday, June 8, 1996, the members of the Class of 1996 remembered three of their classmates who passed away prior to receiving their high school diplomas, with a moment of silence at graduation:

**Deanna Patrosian, Jenna Pungitore, and
Trevor Woods.**

MISSION STATEMENT

The mission of the King Philip Regional School District is to pursue educational excellence in an environment that fosters individual worth, self-respect, and respect for others.

The school will seek to ensure:

- * Global awareness
- * Multicultural diversity
- * Life-long learning
- * Educational opportunity
- * Critical thinking skills
- * Student ownership of learning
- * Shared decision making

CORE VALUES

- * Centrality of Classroom Instruction
- * Respect for Diversity
- * Communication
- * Working in Teams

STUDENT RECOGNITION - 1996 AWARDS

Heather Oles	Excellence in Art
Stephen Drowne	Excellence in Design
Elizabeth Mullin	Excellence in Painting
Jason Massaro	Geoffrey Swan Award
	Excellence in Drawing

Timothy Gulesarian	Excellence in Accounting
Courtney Keene	Excellence in Office Technology
Lisa Studley	Excellence in Office Technology
Rachel Bautz	Excellence in Word Processing
Bonnie Guay	Daughters of the American Revolution Good Citizen Award
Priya Patel	U. Mass Dartmouth Book Award (outstanding junior)
Paul Langlais	Excellence in Biology Stonehill College "Honors Scholar" Massachusetts Association of Math Leagues 1995 Olympiad Top Scorer
Christopher Allen	Excellence in Computer Programming
Peter Golaszewski	Excellence in Mathematics
Bretton Heath-Wlaz	1995 American High School Mathematics Examination Top Scorer
Charlotte Boulay	Excellence in English
Erin Moore	Rodman Book Award
Michael Doire	Excellence in French and Chemistry; Alice Church Award
Andrea Zaccardi	Excellence in Latin
Francis Babbitt	Excellence in Spanish
Timothy Dubendris	Excellence in Music
Andrew Whelton	John Philip Sousa Band Award
Jeremy Udden	Louis Armstrong Jazz Award
Peter Smith	Excellence in Physical Education Internship
Taryn Kenney	Excellence in Physical Education Internship
Kristy Martin	Bausch & Lomb Science Award
Shaun Fitzgerald	Excellence in Biology; Xerox Award in the Humanities
Christine Marshall	Excellence in Environmental Science, Physics, History
Heather Schold	Arnold Macktaz Award Excellence in Law

Leila Bhatti	Stanley Glowinski Award, Excellence in Social Studies
Jeffrey Davis	Excellence in Architectural Drawing
Adam Wagner	Excellence in Computer Aided Design
Jared Gunther	Excellence in Computer Animation
Robert Lavertu	Excellence in Engineering Drawing
Shawn Hanrahan	Technology Award
Christina Renaud	Technology Award

New England Institute of Technology Book Award:

Stephanie Schafer	Computer Aided Design Architectural
Eric White	Computer Aided Design Mechanical
Peter Golaszewski	Computer Graphics & Programming
Gregory Wason	Computer Service & Repair
Phillip Draheim	Computer Graphics & Animation
Jeffrey Davis	Architectural Drafting
Thomas Policastro	Mechanical Drawing
Jon Kosowski	Merriam Webster's Collegiate Dictionary

Senior Scholars:

Erica Altfeter	Paul Langlais
Andrea DiMartino	Christine Marshall
Jennifer Gauvin	Heather Olivieri
Peter Golaszewski	Robin Pagliarini
Bonnie Guay	Eric White

Class Speakers:

Christine Marshall	Valedictorian
Andrea DiMartino	Salutatorian
Bonnie Guay	King Philip Cup

National Merit Scholarship Finalists:

Michael Doire, Paul Langlais, and Christine Marshall

President's Award for Educational Excellence:

Leila Bhatti	Rebecca Hartshorn
Andrew Cleverdon	Eric Krasnauskas
Andrea DiMartino	Paul Langlais
Scott Elliott	Robert Lavertu
April Frey	Christine Marshall
Jennifer Guavin	Robin Pagliarini
Peter Golaszewski	Eric White

NEW TEACHERS 1995-1996

King Philip High School:

Jacqueline Lake - Special Education

King Philip-North:

Susan Stoller - Language Arts

Greta Miller - Math

MIDDLE SCHOOL-KING PHILIP-NORTH

In September of 1995, King Philip-North made the transition from a departmentalized faculty to a grade teaming structure. The faculty was divided into teams to cover the disciplines of Language Arts, Reading, Math, Science, and Social Studies. There are three teams at each grade level. The students are assigned to a team and have a common group of five teachers. During the 1995-1996 school year, the teams worked amongst themselves and with their colleagues at the same grade level, to implement the new teaming structure. Parents reported that they found it much easier to contact the teaching team to request information about their son or daughter. The teachers reported that they enjoyed working with a small group of colleagues focused on a specific number of students. Mr. Ronald P. Marino, Principal of King Philip-North, is to be commended for his leadership in implementing this concept during the 1995-1996 school year.

Each team of teachers worked to establish a close relationship with their assigned students. The teams developed names and identifying characteristics. The teachers and students, at various times during the year, entered into team competitions. This brought a sense of identity to the teaching teams and served to enhance good citizenship amongst the students. The unanticipated benefit of changing to a teaming

structure, was the lessening of the passage time between classes, since teachers were no longer assigned rooms based on their discipline, but approximate to their teaching team. This cut down the amount of time needed for students to go from one class to the next and resulted in lowering the noise level during the passing time.

The staff of King Philip-North will continue to work on improving the teaming process, and they welcome parental input on this subject at any time.

CURRICULUM NETWORK

A group of teachers and principals continue to meet with Dr. Davis, on a monthly basis, to articulate issues around the curriculum. During the 1995-1996 school year, the Curriculum Network was kept busy reviewing the various drafts of the new Curriculum Frameworks mandated by the Massachusetts Educational Reform Law. The Curriculum Network serves as an opportunity for teachers and administrators to work together to anticipate changes that will need to be made in the curriculum.

The Curriculum Network is involved in identifying professional development needs and making recommendations for professional development programs to be offered to the teachers.

TOTAL QUALITY TEAM

The Total Quality Team developed an action plan for the 1995-1996 school year. The team placed emphasis on expanding the communication efforts by the King Philip Regional School District to spread the good news about the district to parents and community members in the towns of Norfolk, Plainville, and Wrentham. One program that was started was the cable show titled **King Philip Pride**. This effort produced four half-hour cable shows that focused on our efforts in the King Philip Regional School District. The cable programs were broadcast directly to the towns of Norfolk and Wrentham. A taped copy was made available to the town of Plainville.

The Total Quality Team produced a professional development booklet, listing the professional development interests and activities of all the faculty and staff in the district. The booklet was

published in January and again in May. It provided every staff member the opportunity to share their own professional development interests and to learn what other colleagues were doing.

In June of 1996, the Total Quality Team developed and mailed a survey to all parents who chose to send their children to private schools. The surveys returned were tabulated and the Total Quality Team reviewed the results. It is important for the King Philip Regional School District to know why parents are choosing to send their children to private school and to develop strategies to address problems that were identified.

METRO-WEST TECH PREP CONSORTIUM

The King Philip Regional School District is an active member of the Metro West Tech Prep Consortium, a group of high schools and regional vocational schools that support the transition programming of students from high school to the world of work. Ms. Carol Stankiewicz serves as the teacher representative to the Consortium. The major efforts of the Consortium, during the 95-96 school year, were to develop curriculum modifications at King Philip Regional High School, that could be used in articulation agreements for students attending area junior and community colleges. Ms. Stankiewicz has been successful in signing a number of articulation agreements with the various junior and community colleges. Students who enroll in Tech Prep programs at King Philip Regional High School can be granted advanced standing in these colleges. The Tech Prep program focuses on business, marketing, and technology.

PROFESSIONAL DEVELOPMENT PLAN

One of the mandates of the Educational Reform Act of 1993, is for each public school in the Commonwealth of Massachusetts to develop a professional development plan. The King Philip Regional School District's Professional Development Plan provided opportunities for staff to attend a variety of in-district professional development activities and to be released from school to attend workshops, conferences, or courses. The focus during the 1995-1996 school year was in the area of writing across the curriculum. At both King Philip Regional High

School and King Philip-North, all teachers participated in professional development activities to encourage them to enhance students' writing ability. In addition, teachers were given the opportunity to participate in a special education training program to assist them in developing better strategies to deal with special needs students in their regular education classrooms.

The King Philip Regional School District participated with the elementary schools of Norfolk, Plainville, and Wrentham, in a full day of professional development training in October of 1995. This unique opportunity brought faculties from four separate school districts for a day of common training. One of the essential by-products of this activity is the opportunity for teachers in the four districts to meet and discuss various curriculum and professional development issues. On this date, the faculty participated in workshops dealing with: Multiple Intelligences, Class Assessment Strategies, Laboratory Safety, Alternative Teaching Strategies, and Music Curriculum.

ADVANCED PLACEMENT COURSES

During the 1995-1996 school year, additional advanced placement courses were offered at the high school. Students were given the opportunity to participate in an AP Calculus and an AP Chemistry course offered for the first time at King Philip Regional High School. These courses are sponsored by the College Board and students who successfully complete the program and score a three or better, on a five point scale, have the opportunity to receive advanced standing or college credit.

The King Philip faculty continues to identify other areas for expansion for our advanced placement program. Teachers are learning to teach the AP curriculum in both Physics and US History. It is anticipated that AP courses will be offered in these areas within the next year.

CAPITAL PROJECTS

The 1995-1996 school year saw the implementation of the second year of our ten year capital plan, developed by the King Philip Regional School Committee and supported by the towns of Norfolk, Plainville, and Wrentham. King Philip-North projects include: replacement of lockers in the boys' locker room; refinishing

the gym floor; replacement of roof ventilators; and renovations to the athletic fields. King Philip Regional High School projects include: new lockers in the boys' locker room; replacement of roof ventilators; renovations to the auditorium; replacement of hot water heating system; and the purchase of a new tractor for the maintenance of the athletic fields.

RETIREMENTS

After thirty years of dedicated service to the King Philip Regional School District, Ms. Elizabeth Tolley retired on June 30, 1996. Ms. Tolley saw a number of changes in the business education program during her tenure at King Philip Regional High School. Ms. Tolley taught typing for many years and transitioned, in the last ten years, to the new word processing technology.

Ms. Barbara Negus retired on June 30, 1996, as Secretary to the King Philip Regional School Committee. Ms. Negus had previously worked for the district, serving as a secretary in the superintendent's office for many years, prior to retiring and taking on the part-time position as Secretary to the School Committee. The King Philip Regional School Committee expressed their gratitude to Ms. Negus for her many years of service to the district. Ms. Negus was extremely conscientious in her role as the secretary, ensuring that the minutes were in proper order and that the chairman of the committee always remained on task with the agenda.

SUMMARY

The 1995-1996 school year was a year of change, as the faculty and administrators had to cope with the many changes mandated under the new Educational Reform Law. It is important for all to recognize that public education is improved only when all of the interested parties work together to set high expectations and provide resources. I would like to take this opportunity to thank the residents of the town of Plainville, for their continued support of the King Philip Regional School District.

Respectfully Submitted,
Perry P. Davis, Ed.D.

ANNUAL REPORT

OF THE

TRI-COUNTY REGIONAL VOCATIONAL

TECHNICAL

SCHOOL DISTRICT

FOR THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30 1996

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

ANNUAL REPORT 1996

In July 1996 the School Committee reorganized and elected the following officers: Victor Knust Graichen (Wrentham) Chairman, Alan Lovely (Plainville) Vice-Chairman, and Robert Heavey (Medway) Secretary.

The School Committee conducts its regularly scheduled meetings on the third Wednesday of each month at 7:30 P.M. in the Committee Meeting Room at the school. Sub-committee meetings are scheduled as needed.

Graduation:

On June 9, 1996, 126 students were graduated in an impressive afternoon ceremony. Victor Knust Graichen, Chairman of the Tri-County School Committee, delivered the welcoming address to more than one thousand guests. Music was provided by the Millis High School Band.

Bruce Lynch, Director of Pupil Personnel Services, presented scholarships and awards totaling more than \$100,000 to deserving seniors.

Pupil Personnel Services

In September 1996, Tri-County welcomed approximately 794 students to the new school year. The district towns and number of students are Franklin 164, Medfield 25, Medway 58, Millis 28, Norfolk 34, North Attleboro 182, Plainville 60, Seekonk 68, Sherborn 6, Walpole 69, and Wrentham 60. Also 40 students were accepted from Out of District areas.

The Pupil Personnel Department continued its evening programs for 96-97. The Guidance Department continued its Peer Helpers program to assist with school adjustment and to introduce Tri-County to junior high students in the community. The department continued its programs on preparing for college with the assistance of Dean College Financial Aid Administrators and Admissions Counselors. Tri-County hosted two Career Days for Grade 8 students and held evening Open Houses for parents.

Tri-County has established itself as a leader in the Tech Prep System. This concept has been referred to by National Business and Educational Leaders as one of the most exciting initiatives in education. The primary function of the Tech Prep program is the combined secondary/post secondary program that is being offered to Tri-County students with Massachusetts Bay Community College, Wentworth Institute of Technology, Northeastern University, Dean College, Middlesex Community College and Aquinas College. Students involved in the Tech Prep program must complete an established level of academics and technical competencies. Students upon completion of their high school work will be awarded credits according to the articulated agreement. In 1996 students who received college credit for completion of Tech areas are now attending Wentworth Institute, University of Massachusetts at Lowell and Arizona State University.

Tri-County along with the Franklin Area Chamber of Commerce serve as the co-chairs of the Tri-County School-to-Career Partnership. This partnership will share in over \$400,000 over three years to serve the career education needs of all area students.

Academics

A continuing recognition that our graduates need to fully develop their academic abilities has led us to review our academic offerings. Beginning in 1995 all grade 9 pupils began a four-year sequence of science courses including biology, chemistry, principles of technology and one science elective (microbiology, physics, astronomy or Principles of Technology II).

State-wide curriculum frameworks have been issued and Tri-County is prepared to respond to these guidelines for core academic subjects. All students at Tri-County continue to take a full academic load with no study periods. Every student has a class every period every day.

It is the goal of the Tri-County Regional Vocational Technical High School to keep our programs current and to fully meet the needs of our pupils and of the workplace.

Vocational/Technical Programs

The Vocational programs have made every effort to simulate real work experience by providing service to District Town Agencies, Civil Organizations, and Residents. The Auto Repair, Auto Body and Metal Trade departments are fully scheduled for customer work at all times. Work is accepted from district residents if such work coincides with the instructional curriculum. The Auto Repair program has received A.S.E. Master Certification from the National Automotive Technician Education Foundation.

The Child Care program provides a creative agenda that foster the wholesome development of the pre-schoolers in a variety of early childhood settings. High School students work with these youngsters learning first hand the various theories and practices of child development.

Cosmetology is a program that provides skill in a variety of beauty services, such as hair, scalp, skin and nails. The program prepares the student for the State License in hairdressing. The clinic is open to the public during the school year.

The Culinary Arts shop continues to attract many local patrons to their student run restaurant (Gerry's Place) and bake shop. Many senior citizen groups from the community visit Tri-County to sample the delicious meals that are prepared by the high school students.

Desktop Publishing is part of the Commercial Art and Graphic Arts curriculum. Students learn Computer Layout, Desktop and Graphics.

Electronics Technology prepares the student for entry level positions in the Electronics, Computer and Consumer product service industries.

Marketing/Office Technology education includes Banking, Retailing and Secretarial skills for students who have selected this vocational program. Students master skills in Computerized Accounting, Data Base Management, Word Processing and Lotus 1-2-3. Students taking this program also receive hand on training by working at the Dean Cooperative Bank located at Tri-County. The Bank is open to the public during the school year for all banking services.

The Medical Careers program continues to grow and is now currently affiliated with three area Nursing Homes (Medfield, Franklin, and Wrentham) where students can apply skills on patient care and recreational activities.

The Plumbing and Electrical programs allow students to acquire technical skills while accruing state-mandated hours in both practical and theory applications. Once completed, these students will be prepared to take the state journeyman examination in their respective trade areas.

The Heating, Ventilating and Air Conditioning program provides students with proper instruction relative to the recovery and recycling of refrigerants. EPA government regulations require that HVAC standards remain at the cutting edge of technology.

The Carpentry program allows students to become familiar with both rough and finish construction. As students complete this program, they are well on their way to securing construction supervisor licenses.

Our construction program has been very busy during this year with the building a Senior Center in the Town of Wrentham.

Continuing Education

The Continuing Education Programs offers an Adult Cosmetology program during the day. This is a separate program that provides 1000 hours of instruction. The program runs from September to May and follows the high school calendar. Registration for this program takes place at the end of May each year. The Evening School Division has enrolled approximately 600 students for the 1996-97 school year. Registration for the Evening Division takes place in September for the Fall Semester and in January for the Winter Session.

Athletics

The Tri-County Athletic Programs continued to show strides during the 1996-97 year. Participation of first time players at the Freshman/Sophomore classes shows promise for the upcoming years.

Student Activities

The Vocational Industrial Clubs of America (VICA) is of continued interest to students with great success at the local, state and national competitions. In the area of fund-raising, VICA once again will be sponsoring numerous events, including a medieval dinner, Breakfast with Santa and Breakfast with the Easter Bunny.

The Distributive Education Clubs of America will be attending the North Atlantic Regional Conference. At this conference students will have an opportunity to meet other students from the Northeast and participate in various seminars and workshops.

Summary

As we continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation. We intend to maintain in the future the high educational standard that has earned Tri-County that support in the past.

Victor Knust Graichen, Chairman

Alan Lovely, Plainville

Respectfully submitted,

Stanley Nacewicz

Richard Follett

Patricia Stewart

Plainville, Massachusetts

To The Honorable Board of Selectmen:

I hereby submit the annual report of the Tax Collector for fiscal year 1996. It includes a breakdown of the town's annual appropriation of \$41,538.00, showing all expenditures for the fiscal year. Also, the report shows total tax collections of \$6,225,467.59, broken down by category and year of commitment.

The Collector's office also processed various Town Hall receipts in the amount of \$66,524.03 during the fiscal year. These receipts were turned over to the Treasurer's office for further processing.

This fiscal year we experienced a reduction in office hours at Town Hall. When we found ourselves understaffed, we looked to the community for volunteers. I would like to take this opportunity to publicly thank those who helped, including Elaine Floyd, Dorothy Arnold and Pat Stewart from the Assessors' office; Sheila Kelley and Carol Brown from the Selectmen's office; Town Accountant Vera MacDonald; COA volunteers Dolly Rose, Jean Dileonardo, Tony Dileonardo and Terry Galvin; and Finance Committee Member Bonnie Gillmore.

Finally, I want to welcome Mrs. Marie Kenerson who began in the Collector's office in September, 1995 and to thank her and Mrs. Debbra Floyd for their dedication and hard work. They are invaluable to me and are to be commended for their efforts.

Respectfully submitted,

Kathleen A. Parker, Tax Collector

PLAINVILLE FIRE DEPARTMENT

TO THE HONORABLE BOARD OF SELECTMEN

I heroby submit the annual report of the Fire Department for the period from July 1, 1995 to June 30, 1996. It includes a breakdown of the Town's annual appropriation showing all expenditures for the fiscal year. Also, the report shows total year incidents responded to by the department.

Again this year we have experienced real progress in the department through local donations. The office area, kitchen and bathroom walls were completely painted and new floor tile was installed. The kitchen cabinets were refaced. A local business donated a new refrigerator and a new stove was donated by the Plainville Firefighters Local 3415. The labor was provided by the residents of the Pondville Correctional Institution.

Also again this year the firefighters have donated their off duty time to install smoke detectors in residents' homes at no cost to the residents. Last year the Plainville Lions Club and a local business donated two hundred detects for this program. This year the firefighters have installed seventy. We have seventy-two detectors remaining.

This years Fire Prevention Program was presented to the local school system throughout the year. This was accomplished by donations from local businessmen. Also during Fire Prevention week in October, we held an Open House. The Firefighters Union donated hot dogs, hamburgers, chips, hot and cold drinks. In addition all the department members donated their time for the event. The open House provided us the opportunity to demonstrate all apparatus, equipment on apparatus, and our haz -mat trailer and equipment. Fire Pup the Fire Safety Dog also made an appearance.

I wish to thank all the members of the fire department, the Board of Selectmen, all other board members, and all employees of the town for their help and cooperation during the past fiscal year.

FIRE DEPARTMENT APPROPRIATION

FISCAL YEAR 1996

SALARIES

Appropriation	\$ 401,851.00
State Reimbursement	
Haz-Mat Training Pay.	\$ 2,000.00
Total appropriation	\$ 403,851.00
Expenditures	\$ 383,711.31
Returned to Treasurer	\$ 20,139.69
	\$ 403,851.00

EXPENSES

Appropriation	\$ 37,427.00
Expenditures	\$ 37,270.95
Returned to Treasurer	\$ 156.05
	\$ 37,427.00

INCIDENTS - 1996

Fire Related	749	Ambulance Related	794
Inspections	517	Practice Sessions	20

TOTAL INCIDENTS = 2,080

The total incidents count indicates that the department responded to an average of 5.70 incidents per day.

Respectfully Submitted,
Edwin H. Harrop, Sr.
Fire Commander

Town of Plainville

Police Department

157 South Street, P.O. Box 1718
Plainville, Massachusetts 02762

Edward M. Merrick, Jr.
Chief of Police

TEL: (508) 695-7115
FAX: (508) 643-0227

To The Honorable Board of Selectmen

I respectfully submit the Annual Report of the Plainville Police and Communications Departments for the period July 1, 1995 through June 30, 1996.

1. FINANCIAL

A. Budget - The following reflects the town budget financial condition of the Police and Communications Departments as of June 30, 1996.

DEPARTMENT	ACCOUNT	APPROPRIATION	EXPENDED	BALANCE
Police	Salary	\$ 602,827.00	\$ 595,926.59	\$ 6,900.41 *
Police	Expense	\$ 66,433.00	\$ 66,399.90	\$ 33.10
Communications	Salary	\$ 131,012.00	\$ 118,125.92	\$ 12,886.08 *
Communications	Expense	\$ 14,887.00	\$ 14,825.98	\$ 61.02

B. Grants - During the period of FY 96, we received several grants for both personnel and technology from the Federal and State Governments that totaled \$ 74,658. With the exception of the J-Step Grant, all the Federal Grants required a 25% match which was appropriated through Town Meeting or funded through local gifts. We also received gifts from the community that totaled \$ 6,439.00 that were used to offset costs associated with various projects. We are deeply indebted to community businesses such as Laidlaw, Atco Plastics and Lorusso Corp, civic groups such as the Lions, Bristol A.F.& M., Plainville Fire Fighters Assoc, Friends of Plainville and the Kiwanis and the local residents for their kind donations.

GRANT	SOURCE	AMOUNT	MATCH	PURPOSE
COPS-FAST	Federal	25,000	6,500	Fund 1 police officer position (3 yr program)
Byrne Grant	Federal	14,362	4,800 *	Install Photo Imaging technology
Highway Safety	State	3,954	- 0 -	Install 1 mobile video unit
Public Safety	State	9,952	- 0 -	Purchase Bullet Proof Vests for all sworn officers
D.A.R.E.	State	10,000	- 0 -	Ongoing program to fund DARE activities
Community Policing	State	6,750	- 0 -	Ongoing program to fund Community Policing activities
Norfolk D.A.R.E	County	1,000	- 0 -	Provide training for DARE Officer
Highway Safety	State	3,640		Provide for salary reimbursement for traffic enforcement in concert with other area towns
TOTALS		\$ 74,658	\$ 11,300	

* Amount received from Laidlaw as a local gift.

C. Other Revenue - The department generates revenues from several different sources. These amounts are deposited into the Town's General Fund. The sources and amounts of those revenues are as follows:

1. Moving Violations	\$ 47,355.	4. Detail surcharges	\$ 813
2. Parking Violations	\$ 911.	5. Firearm Licenses	\$1,022.
3. Accident Reports	\$ 1,022.	6. Other permits	\$ 135. (Sunday work permits)

TOTAL OTHER REVENUE \$ 51,258.

2. ACTIVITY

During the reporting period, the departments experienced a 14% increase in calls for service to 5,680. We did see, however, an overall decline in crime of 44%. This decline is particularly impressive when compared to the National Index for communities of under 10,000 which was +3. Also of particular interest is our clearance rate of crimes reported is over 36%. An encouraging statistic is that the numbers of assault has decreased by just under 62%, however, lest we rest on our laurels, 36% of those assaults were related to domestic violence. For those who thrive on numbers, here are the stats for FY 96 with some comparisons with FY 95 where available.

INCIDENTS	REPORTED	Value	Cleared	Value	Clearance %	1995	% Change
Larceny	94	\$ 93,290	\$18	\$ 50,830	20%	103	- 9.5%
Assault	55		50		86%	89	- 62%
Burglary	35		10		29%	63	- 44%
MV Theft	7		3		42%	n/a	
MV Accidents	196					224	- 12.5%
Arrests	115					117	- 0.9%
911 Calls	1479						

3. TRAINING

Perhaps the mainstay for an effective law enforcement agency, we have increased the training of our officers and dispatchers to well over 650 hours department wide. This includes 40 hours of In-Service Training for each full time sworn officer and 16 hours of In-service Training for each part time officer. Beyond the basics, we provided training in bicycle patrol operations for 6 new Bicycle Patrol Officers, mobile video operations, use of photo- Imaging for mug shots and fingerprints, conducting alcohol stings, establishing and maintaining neighborhood watch groups, arson detection and investigation and date rape and teen violence prevention and investigation.

4. PERSONNEL

This fiscal year saw the retirement of Officer Joe Porter and the resignation of Part Time Officer Greg Pothier. We also saw the addition of three new part time officers thanks in part to the Federal COPS-FAST grant program. The Board welcomed new officers, Brian Malagrida, Kyle Rockett and Wayne Cohen. During this period part time officer Greg Kiff joined the ranks of the full time force attending the State Recruit Academy in March, 1996. We also added to our part time dispatch cadre to cover vacancies and shortages in Communications.

5. ACCOMPLISHMENTS

A. Building Improvements

As promised, we have completed a total facelift of the Public Safety Facility. With the utilization of inmate labor from Pondville, several donations of money and materials from the community, we have completed the task, estimated to be worth over \$80,000. For under \$6,500. We have placed windows and lights on the outside and replace floor and ceiling tiles inside, along with fresh paint for the entire building. We are very proud of the final result and all are invited to come and see the finished product. I believe we have gone a long way in protecting your investment in the public safety building. Much remains to be done with space needs, completing the disability access and addressing the air quality issue.

B. Bicycle Patrols

As part of a state grant we have been able to add a bicycle to our fleet. We have implemented bike patrols during the good weather and focused them on areas of town where there is or is likely to be a large concentration of people, such as the center of town, the town park, Man-Mar Drive and Town & Country. We are committed to this "user friendly" type of patrol and will be expanding it to the extent that budgets will permit in the future.

C. Alcohol Stings

During this reporting period, we completed two alcohol stings; one in September and another in May. The first was somewhat less than gratifying with 9 establishments discovered serving to minors without asking for ID. After some public relations efforts, we conducted another and found none were in violation.

D. Photo-Imaging

With the assist of a state grant and a generous donation from Laidlaw for the matching funds, we were able to add Photo-Imaging technology to our booking system. This remarkable system will enable us to keep mug shot photos on a computer disk and to scan fingerprint cards. The end result will be an arrest record that has a photo and fingerprint electronically attached. This system will hopefully be complimented with a computer aided dispatch and records management system for which we are awaiting word on a federal grant.

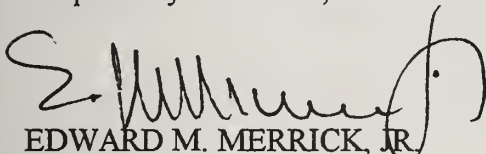

6. OUTLOOK

As indicated, we are still awaiting final word on the implementation of computer-aided dispatch and records management system for the police department. Once up and running, it will dramatically improve our records management/crime analysis capability. I am hopeful that we will be able to expand that capability to the fire department in the near future as well.

We are still applying a band-aid approach to maintaining our radio system. The system is aging fast and is becoming unreliable. Already we're feeling the effects of the limitations of the system with the addition of the bike patrols. Because the portable radio units we use are reliant upon a mobile repeater mounted in the cruisers, the officers are "tethered" to the cruisers. In an age when we are desperately trying to get the officers out of their cruisers and into the neighborhoods for one on one meets, it seems incredible that our radio system would handicap us. We are looking at all kinds of alternatives to remedy this and many other problems associated with age that we are experiencing with our radio system. This is a costly but absolutely vital piece of equipment that we must rely upon for officer safety and rapid response where needed.

This department continues to grow in spirit and excellence. We have accomplished much in the short time that I have been on board, and I proud to say that we have accomplished it together as a group. The dedication and professionalism of the members of Plainville's public safety group continue to strive to be the very best they can for a largely grateful community. I feel comfortable in making the assurance that the services provided by public safety will continue to improve on their current greatness. More efforts will be made to join our efforts with the community's goals, desires and wishes. We will be making concerted efforts to determine if and where fear exists and help those in need to remedy those fears.

Respectfully Submitted,

EDWARD M. MERRICK, JR.
Chief of Police

Report of the Highway Department

July 1, 1995 to June 30, 1996

**Report of the Highway Department
July 1, 1995 to June 30, 1996
*Respectfully submitted to the Board of Selectmen,
Plainville Massachusetts***

SNOW REMOVAL

The past winter set records for total amount of snow. We are fortunate that the storms were spaced apart and of average depth, allowing for recovery between storms.

Some of the most frequent complaints from residents:

MAILBOXES: They are particularly vulnerable due to the location. The snow that comes off the moldboard of a plow is called a rooster tail. A wet snow can destroy posts & mailboxes. We do not replace or repair them.

SUGGESTION: Locate mail box if possible on the lee side of a utility pole or tree.

TRASH PICK-UP DURING A SNOWSTORM: Sorry!

The workers on the trash truck also plow snow. Even if they did not plow snow the Highway Superintendent would not send them out in snow storms.

Sand is available for residents at the Highway yard for the icy spots in your yard.

THANK YOU

To the contract drivers, and the Highway Department Employees for working long hours to keep our roads clear.

TRASH PICK-UP

Residents and taxpayers are fortunate that trash removal is mostly paid for by Laidlaw Landfill. The only expense is for the driver. What a deal!

NOTE: Remember - six (6) bags only - NO BARRELS. In the event of a snow storm, trash pick-up may be delayed. Remember to uncover bags from snow.

It is time for a new trash truck, and again this is provided by Laidlaw Landfill.

HIGHWAY MAINTENANCE

Streets and sidewalks have been swept. Roads repaired. Street signs repaired or replaced. Grass mowing at the South Burial ground, Constitution Park, Bliss Union Chapel and Conservation area. Brush was cut.

Drainage was completed on School Street and is now ready for construction. Routes 1A and 106 need to be engineered for reconstruction using state and federal funding.

Preliminary application to S.P.E.R.D. for a bike pathway from Fuller Street to West Bacon Street following the railroad track. This would also include a path to the Town Park.

Chip sealing and road construction have been done.

This is my final report as Highway Superintendent and I wish to thank everyone who shared their concerns with me. The residents have been great. I will miss working with our public employees as they are my friends and are deserving of our consideration. It would appear that Plainville has many challenges ahead. Expectations will be met by some success only if we volunteer to help however we can.

Sincerely,

Ronald Fredrickson

Historical Commission

136 SOUTH STREET

PLAINVILLE, MASSACHUSETTS

02762

One of the true rewards of working on the Historical Commission derives from answering requests for information which come to us from a goodly number of other states and countries, as well as from our immediate area--but never limited solely to Plainville. For example, a couple eating at Don's Diner made inquiries about a gravesite and a homestead of the Price family. We were able to take them to the house and then to the grave. These folk were from England and here on a brief business trip giving the lady just a few hours to find her ancestors. When she stood before the grave of her great, great grandmother, her tears clearly expressed her gratitude.

Requests ranged from material for the Norfolk Co. Commission tourist guide; search for a lost childhood friend of the 1950s; a nine year old descendant of Frank and Bertha Averill doing a paper on Wilkins Airport; the White family who came to Plainville from Dorchester in 1767; about theoretical markers on the magnetic North line from the Angle Tree placed before 1790; seeking Caroline Messinger who hosted the first meeting of the Holly Club; pictures of the former Methodist parsonage for restoration by its new owner; directing a publisher to various monuments in town for cover of a book; cooperation for an architectural grant project to be studied by grade five at the Wood School; from the Conservation Commission about the history of the turnpike and its ponds; frequent communication from a lady in California doing genealogy of the Force family who lived here in the late 1600s (how DO they get our name and phone number in California??); the Harris, Blake, Guild, and Cheever families; identification of Electric Lodge #67 by its seal dated May 1880; for the American Legion a list of all who served from Plainville in WW 2; a history of the maintenance of the Angle Tree Stone; request to assist the Cub Scouts with their project on the history of our town; from New Hampshire seeking information on pink accessories made for Dodge in 1955 by Evans Case; Peck Road; from the Sun Chronicle about background for Plainville Fun Day, also the former Grange Hall; and always the location of the Angle Tree Stone.

In addition to replying to queries we have held several work parties aimed at improving the Humphrey House and the commission's holdings. At this point we remind Plainville's citizens that the members of your Historical Commission are all volunteers. We are energized by the desire to preserve and share the history of our community with special attention to the youth of this town who need to experience local pride. Towards this goal we work closely with teachers and students on every history project. This is an ongoing effort each year. We attended a meeting of North Attleboro and Plainville officials held at the Angle Tree Stone shelter on a rainy morning. On a day of blazing heat we manned a table at the Plainville Fun Day. Viewers were enthusiastic, but the audience would have been greater had there been shade. We hosted a meeting of area historians to hear a lecture by Morse Payne on the mapping of the Old Colony Line. We are compiling a list of German families who came here as jewelers. We are still collecting oral histories, the latest being from Ron Frederickson. The annual meeting of the Bay State Historical League was attended by five of our members with visits to historical homes in Cambridge plus speakers at the B.U. Art Gallery. In July Mike and Sherry Miller of Illinois spent an afternoon at the Humphrey House giving us further insight into collectible mesh which has been their hobby for twenty-five years.

Gifts have been gratefully received from Barbara Parmenter, Shirley Mobriant, Helen Cobb, Mae Grant, Roger Darby, L. C. Kinney, Morse Payne, J. & M. Publishing Co., Fred & Barbara Flück.

Our regular meetings are held at the Humphrey House, 136 South Street, on the third Wednesday of the month September through June from 7 to 9 p.m., open at other times by appointment.

In conclusion, we ask you to remember with us Everett Skinner, often a benefactor and always a staunch friend of the commission and of the Town of Plainville.

Park Commission

PLAINVILLE, MASSACHUSETTS

02762

December 15, 1996

To the Honorable Board of Selectmen and the citizens of Plainville:

The Plainville Park Commission hereby submits our report for the year ending June 30, 1996.

This years after school programs included Pillo Polo, Floor Hockey, Indoor Soccer, Basketball and Gym Games. Children were also offered afternoons of roller skating, trips to WWF Wrestling, Disney on Ice, Sesame St. Live, Nickelodeon, the Discovery Zone, the Providence Bruins, the Boston Red Sox and Wachusett Mountain for skiing.

Adults and children both enjoyed our trips to the Radio City Christmas Show, the Boston Pops Christmas Concert and Stars on Ice skating show.

Attendance of: Children Adults

We offered 9 trips:	193	90
Summer activities:	214	
Pool	201	165
School year activities:	348	

Meetings were held on the second and fourth Tuesday of each month. Our budget is as follows:

	Budgeted	Expended
Expenses	\$ 7,917.00	\$ 7,444.23
Salaries	\$22,500.00	\$22,499.88

We would like to take this opportunity to thank all the volunteers and various town departments for their help and cooperation during the past year.

The Park Commissioners and staff want to thank the citizens of Plainville for their continued support and encouragement. We are particularly grateful that the Everett W. Skinner Pool was renovated and open for the summer of 1995. Unfortunately, due to a 19% cut in our budget the pool had to be run on user fees. The pool was open from June 26th through August 25th. We had 80 families that paid for memberships and others who chose to use the pool and pay daily. Our one regret was that we were not able to find certified instructors to teach swim lessons.

Respectfully Submitted,
Your Park Commissioner's
Beulah Rench
Cheryl Follett
Gayle Mason

A handwritten signature in cursive script that reads "Donald McAlpine". The signature is written in dark ink and is positioned below the word "SINCERELY,".

DONALD MCALPINE
VETERANS AGENT
TOWN OF PLAINVILLE

OFFICE OF PLUMBING INSPECTOR

To the Honorable Board of Selectmen:

I hereby submit my report as Plumbing Inspector for the year ending June 30, 1996. The following permits were issued:

<i>New Home Construction</i>	<i>25</i>
<i>Renovations</i>	<i>14</i>
<i>Water Heaters</i>	<i>10</i>
<i>Sewer Connections</i>	<i>3</i>
<i>Industrial and Commercial (new & renovations)</i>	<i>3</i>
<i>Backflow preventers</i>	<i>1</i>
<i>Miscellaneous</i>	<i>2</i>
	<i>****</i>

<i>Total number of permits</i>	<i>58</i>
--------------------------------	-----------

New residential permits were for homes in many different sections of town while industrial and commercial permits for plumbing were primarily for renovations.

I would like to send a note of appreciation to Walter Burlingame, the Town's Assistant Plumbing Inspector for taking over for me while I was recuperating from surgery. Thank you for your support.

Respectfully submitted,

Edward F Rose

Edward F. Rose
Plumbing Inspector

ANNUAL REPORT

OF THE

SERVICES PROVIDED

TO THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30 1996

**TRASH PICK-UP
TOWN OF PLAINVILLE**

Rubbish shall be collected once each week throughout the Town from plastic bags or treated paper containers, weighing not more than fifty (50) pounds each, placed at the curb at 7:00 a.m. on day of collection for the designated area. Number of bags limited to six (6) per family.

NO BRUSH, WOOD, SAND, DIRT, SOD, ROCKS, DEMOLITION LUMBER, BROKEN CONCRETE, ASPHALT, PLASTER, TILE, BRICK, OR OTHER CONSTRUCTION MATERIAL WILL BE COLLECTED.

The refuse from motels, apartment houses with four or more units per building, restaurants, shop, stores, mercantile and manufacturing establishments will be considered commercial and will not be picked up by the Town.

When a holiday, snow storm, or emergency situation falls on a collection day, all subsequent collection will be one day later. Holidays affecting rubbish schedule are New Year's Day, July 4th, November 11th, Thanksgiving and Christmas.

The Town collection is broken down into three sections and will be collected as follows:

Section I	Tuesday	All streets west of South Street not including South St. to Town lines
Section II	Wednesday	South Street and all Streets easterly to Washington St. (RT 1) but not including Washington Street
Section III	Thursday	Washington Street and all Streets easterly to town line.

During the year there will be white goods drop off points. They are usually at the Laidlaw Landfill located on Belcher Street and the Highway Department. There will be a notice in the paper and on cable for the times and dates of these events.

We also suggest to you that many items can be recycled. Newspapers, aluminum, metal cans, plastic containers and glass.

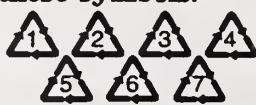

Town of Plainville

Curbside Recycling at a Glance

To properly prepare your recyclables for pick-up, please remember to do the following:

- Set your bin out at the curb, at least 4 feet from your trash, every other week on your regular trash day. See calendar below for your recycling week.
- Place glass, plastic, aluminum, and metal cans in your bin. You don't need to sort these items. If you need additional space, flatten or nest large plastic containers and metal cans, or place extra recyclables in a clearly marked box next to your bin. Place newspapers beside your bin.
- Improperly prepared items and material not included in our program will not be collected. Watch for a sticker indicating a problem with your material.
- When in doubt call (800) 707-3322 or (508) 699-2267.

Material	 What to Recycle	 How to prepare	 Do not include
Glass 	■ Bottles and jars only.	■ Rinse clean. ■ Remove lids and corks. ■ Labels are OK.	■ No material on glass other than paper labels. ■ No broken glass. ■ No other glass item. ■ No plastic bags.
Plastic Containers 	■ Rigid containers marked on the bottom with one of these symbols: 	■ Rinse clean. ■ Remove lids and neck rings. ■ Remove spouts, spigots, and inserts where possible. ■ Labels are OK.	■ No Styrofoam. ■ No unmarked items. ■ No plastic bags.
Aluminum 	■ Deposit and non-deposit aluminum cans. ■ Foil pie plates, aluminum foil, etc.	■ Rinse clean.	■ No bottle or jar lids. ■ No other aluminum item. ■ No plastic bags.
Metal Cans 	■ Metal ("tin") cans only.	■ Rinse clean. ■ Cans may be flattened or nested.	■ No cans with plastic or paper parts. ■ No aerosol or paint cans. ■ No other metal item. ■ No plastic bags.
Newspaper 	■ Newspapers, inserts, magazines, phone books, pizza and cereal boxes, cardboard, juice cartons.	■ Tie with string or place in brown PAPER grocery bags. ■ Flatten and tie to less than 3' x 3'.	■ No wax or foil coated items. ■ No food contaminated items. ■ No plastic bags.

REPORT TO THE TOWN OF PLAINVILLE FROM THE COMMISSIONERS OF THE
SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

The Town of Plainville continued its participation in the Southeastern Regional Planning and Economic Development District during 1996. SRPEDD (pronounced sir-ped) is a locally governed regional agency serving twenty-seven cities and towns in southeastern Massachusetts. We are funded by federal and state grants and local assessments. For 1996, the Town of Plainville paid \$1,030.65 for our services, based upon an assessment of 15 cents per capita.

During the past year, the Town of Plainville was represented on the SRPEDD Commission by Marcia Symanski and Richard Plante. Marcia Symanski also served on the Executive Committee.

Some of SRPEDD's more significant accomplishments during 1996 were:

- Completion and certification of the annual Transportation Improvement Program (TIP) which set regional priorities for federal transportation funds. The TIP sets priorities for \$234 million in federal and state dollars for regional transportation projects over the next 3 years.
- SRPEDD completed a Handbook to assist proponents and local officials to develop and promote the aquaculture industry in southeastern Massachusetts.
- SRPEDD worked with the region's cities and towns and the MBTA to assist in the development of plans for commuter rail service to Taunton, Fall River and New Bedford. SRPEDD is continuing to seek a regional consensus on alternative routes, and is assisting the MBTA to evaluate the Attleboro, Stoughton and Middleborough alternatives.
- Southeastern Massachusetts joined the Internet with the debut of SRPEDD's web site in August. The site contains data and information about every city and town in the region, and can be reached at <http://www.srpedd.org>.
- SRPEDD approved \$1,583,559 in grants from our regional transportation allocation for five "enhancement" projects. Included were three bicycle paths (Fairhaven, New Bedford and Swansea), restoration of the ship Ernestina in New Bedford and a region road runoff inventory project.
- A Regional Housing Needs Study was completed that includes: Needs Assessment; Handbook of Resources; Fiscal Impact Analysis; Opportunities for Regional Cooperation; and Survey of Conditions/Social Service Agencies.
- An Intermodal Transportation Report was prepared by SRPEDD for the New Bedford Area Chamber of Commerce that addresses and makes recommendations for the linkage of the airport, seaport, rail, bus and highway modes of travel and freight transfer.
- The SRPEDD Commission approved a Regional Land use Policy Plan and successfully applied for a grant for implementation in 1997. The plan sets forth guidance for optimal use of our most precious resource - our land.
- The region's Overall Economic Development Program was completed and certified by the U.S. Economic Development Administration, making the region eligible for federal economic development grants from EDA.
- SRPEDD conducts a district-wide traffic counting program and maintains a computer file of all available traffic count data throughout the region. SRPEDD undertook counts at 85 locations this year.

- SRPEDD also compiled computerized accident records for seven communities. This data is used to publish the region's 25 most dangerous intersections and road segments. This information helps with the redesign of the dangerous areas.
- SRPEDD worked with the two regional transit authorities, GATRA and SRTA, on issues such as route evaluations, marketing, service to elderly and handicapped persons and overall data compilation and analysis.
- SRPEDD continued its affiliation with the South Eastern Economic Development (SEED) Corporation, which makes loans to small businesses for expansion. In 1996 SEED made loans to 118 small businesses in the amount of \$12.6 million. These loans are projected to create 632 new jobs.
- SRPEDD operates the Southeastern Massachusetts Data Center, providing information to businesses, cities and towns, and individuals.

SRPEDD also received in 1996 evaluations of **Outstanding** from two federal agencies for planning work done in the region: the Department of Transportation and the Economic Development Administration.

SRPEDD was created to serve the cities and towns of southeastern Massachusetts. We are governed by elected and appointed officials from all the cities and towns. We look forward to serving you in the future.

January 7, 1997

REPORT TO THE TOWN OF PLAINVILLE

During the program year ending September 30, 1996, Self Help, Inc., received a total funding of approximately \$8.6M and provided direct services to 17,202 limited income households in the area.

In the town of Plainville SHI provided services totaling \$34,020 to 166 households during program year 1996.

The total funding of \$8,615,509 does not tell the real value of human services delivered to the area as a whole. Self Help's funding enabled us to mobilize an additional \$1,258,647 of other community resources such as, contributions from the towns, volunteers, donations of space, and private donations in the form of goods and services. Therefore, the gross value of Self Help, Inc., during the past program year was \$10,143,470.

Self Help currently employs 248 individuals, many of whom are of limited income, minorities, and who reside in our service area.

We feel that October 1, 1995 through September 30, 1996 was a successful program year for us because we were able to assist as many limited income individuals and/or families as we did, in spite of the challenges and uncertainties with which we were faced, and decreases in funding we experienced.

We thank all the volunteers, Boards of Selectmen, and their representative(s) to our Board of Directors, representatives of the limited income sector, and representatives of the private sector for helping to make Fiscal Year 1996 a success.

Respectfully submitted,

Norma Wang
Administrative/Personnel Assistant

NORFOLK COUNTY MOSQUITO CONTROL PROJECT

Building #34 Endicott Street
Norwood, Massachusetts 02062
Telephone # (617) 762-3681

December 20, 1996

Town of Plainville

1996 REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible. All mosquito eggs need stagnant water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the drainage of shallow, standing, stagnant water, and the maintenance of existing flow systems which contribute to mosquito breeding sources.

- Drainage ditches hand cleaned: 2.025 feet

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort. The Project has begun to rely more on briquet applications, which provides a more site specific, sustained type of control for the mosquito larvae.

- Larvicide with briquets: Total briquets: 1,629 3.66 acres
- Larvicide with mistblower: Total gallons: 35.5 35.5 acres

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents. All fogging is done in response to adult surveillance which includes logging of citizen complaints.

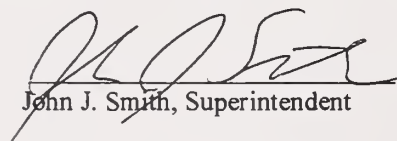

- Adulticide fogging (1/2oz./acre) from trucks: Total gallons: 5.72 1,464.32 acres

Surveillance: In an effort to more fully implement an Integrated Pest Management (IPM) approach, the Project has expanded data collection and surveillance. Surveys, inspections, and monitoring in support of our program include locating and mapping larval breeding areas. Locations of nuisance populations of adult mosquitoes are also identified through the surveillance program.

- Total man hours in town: 180.5 hours

The Project received 32 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent

Board of Selectmen
Town of Plainville
Town Hall
Plainville, MA 02056

Dear Board Members:

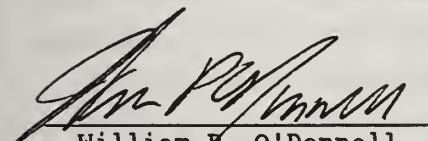

We are writing to you in light of the ongoing attempt by the state to abolish and/or takeover County government, coupled with the fact that counties, in general, have received much negative publicity from media sources.

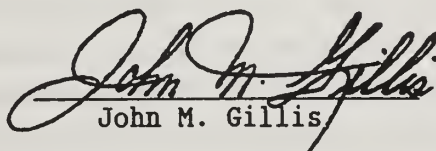

As county commissioners, we feel many valuable services are being provided to our communities. We are proud to say that Norfolk County is operating in the black and therefore, has never needed to be "bailed out" financially by the state, as was the case for certain other counties. To inform our citizens and other members of the public that Norfolk County government is working, we would greatly appreciate your including the enclosed synopsis of Norfolk County government in your municipality's next Annual Report.

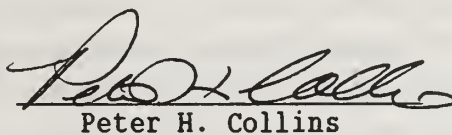

Again, we realize that you are not required to do so, but hope that you will include this informational material on county government in our region, as part of your publication.

Very truly yours,

NORFOLK COUNTY COMMISSIONERS

William P. O'Donnell
Chairman

John M. Gillis

Peter H. Collins

NCC:dp

Encl.

NORFOLK COUNTY GOVERNMENT

Functioning as a liaison between the state and municipalities, Norfolk County government is primarily directed toward administering certain governmental functions for reasons of better hands-on control, efficiency and economy. Its budget, in the past and presently, is operating in the black; nor has it needed to approach the state for additional funds. The Commonwealth of Massachusetts entered into an agreement with the County to rent the courthouses and reimburse the county for their maintenance. The state agrees on the amounts owed, but due to lack of appropriations, payment falls short of the amounts agreed upon. From 1988 to present, the shortfall is approximately \$1,670,000. Nonetheless, the county spent over \$1,000,000 in 1995 on capital improvements. Additional moneys in FY97 have been earmarked for courthouse repairs.

Belonging to Norfolk County taxpayers are County Assets totaling over \$60,000,000 and in addition to other properties, includes an agricultural school, 18-hole golf course and county hospital, six courthouse buildings, a Registry of Deeds and Probate Court building, and an administration building. Of approximately 850 county employees, approximately 726 are members of ten different collective bargaining units. County employees are covered by the rules and regulations of the Norfolk County Retirement System. Other benefits are as established by county personnel rules and regulations, and include membership in an independently operated credit union..

The County Commissioners, whose offices are housed in Dedham, are responsible for the overall operation of the county, including its budget, which in FY97 totals \$18,338,490 of which \$3,483,321 is mandated for Corrections. Countywide purchasing, personnel and budget administration are housed in their offices. The Board meets in order to review business with staff and be responsive to the needs of each community. Taxpayers seeking an abatement of their real estate taxes may, under Chapter 59 s.61, file a request seeking relief with the county commissioners. The commissioners serve as trustees of the Norfolk County Agricultural High School and Massachusetts Respiratory Hospital and meet at least monthly. They have approved annual grants to the Retired & Senior Volunteer Program, Domestic Violence Ended and Agricultural Extension Service. A food pantry program in 1996 involved R&SVP volunteers, aided by Troop 44 Walpole Boy Scouts, harvesting vegetables planted by Norfolk Aggie students. Produce was then distributed to local food pantries. Recently, moneys were appropriated for grants to study a newer form of regional government and regional business economic development. A new, updated color Norfolk County tourism brochure was also recently made available to the public.

The County Engineering Department, located in the basement of the Registry of Deeds building in Dedham, provides survey and engineering services for highways and other related matters, consultation with owners pertaining to land taking and proposed lay out lines, and assisting and working with Mass. Highway Dept. and Town Highway Departments. A frequent request from various towns is for the performance of topographic surveys. Traffic counts are also performed upon request. The department also checks notices from Mass Land Court for parcels of land to be registered for encroachment on county layouts. The County Engineering Department has special computer hardware and software conducive to providing plan & survey services to those Norfolk County communities, who otherwise would have to pay for such services.

The Norfolk County Agricultural High School located in Walpole, is fully accredited by the New England Association of Schools & Colleges and approved by the Mass. Dept. of Education. It provides high quality technical programs in horticulture, arbor culture, natural resources, laboratory animal technology, pet store operation, dog grooming, equine studies, diesel and gasoline equipment operations, maintenance & repair, production animal science, aqua culture, and environmental studies. Community groups which utilize the school campus and/or expertise include 4-H, Co-operative Extension Service, Norfolk Conservation District, State FFA programs, Walpole Little League, Youth Soccer, LaCrosse and Cub Scouts, Sharon Recreation Dept. and many other groups too numerous to mention. Current enrollment is 440 students. In the last 10 years enrollment has increased by 75%.

Massachusetts Respiratory Hospital (MRH) located in Braintree, provides comprehensive care for medically complex and chronic respiratory patients. MRH offers a continuum of services, from acute ventilator care and hospital-level inpatient care, both medical and behavioral, to cardiac telemetry, outpatient rehabilitation and home care. The Mission of MRH is to help patients with lung disease manage their illness and to promote education and improve respiratory health in the community.

Wollaston Recreational Facility located in both Milton and Quincy, includes a golf course and tennis courts. Presidents Golf Course is a well-maintained, 18-hole golf course on 94 acres of open space, servicing over 40,000 golfers and producing an average annual profit of \$150,000. The golf course is available to the public at reasonable fees. Area high schools using the golf course and/or tennis courts for interscholastic events include North Quincy, Weymouth, B.C. High School and Milton Academy. Many community service-oriented fund raising tournaments are held such as the I.B.E.W. Benevolence Tournament, JT's for Muscular Dystrophy, Ursline Academy fund raiser, and Annual Mayor's Tournament (Quincy). A well-known and popular annual event is the Norfolk County Classic Golf Tournament. For the convenience of the public, a restaurant is located on the premises.

The Registry of Deeds, located in Dedham, provides the means of recording real estate transactions, titles, etc., and also houses a Land Court. A huge volume of transactions take place in this department. In 1996 transactions numbered 161,485. A state-of-the-art data processing system, including the ability to scan documents, is utilized. Old records are being microfilmed for preservation and space reduction purposes. Revenue is generated by means of a fee charged for conducting transactions and deeds excise tax. Yet, Registry fees, other than in the Land Court, have not increased in over thirteen years. By state mandate, revenue is divided between Corrections, the Registry and the County.

The Norfolk County Sheriff's Office on the Route 128 median strip in Dedham operates several community-oriented programs including the Braintree Alternative Center's Community Service Program, D.A.R.E. Program, Drug and Alcohol Awareness Programs' Correctional Center Tours, Pre-Release Center's Work Release, Regional Law Enforcement Program, Mutual Aid Program and Regional Lock-Up. Each of these programs is specifically designed to aid Norfolk County communities. The Norfolk County Sheriff's Office received two nationally acclaimed awards: "Facility of the Year" for its exceptional work in inmate health care delivery and accreditation by the American Correctional Association.

The Norfolk County Retirement Board, whose offices are in Canton, comprised of 41 governmental units, keeps its members informed as to the fiscal transaction of the system, together with an analysis of various funds of the System, detailed investment schedule and membership data.
